WELCOME TO RADIOFEST

The *Antique Radio Club of Illinois (ARCI)* proudly invites you to *Radiofest 2019*. This year, we commemorate Art Deco and Machine Age Electronics. We will feature a large swap meet, two auctions, educational programs, free seller's raffles, and an awards banquet with entertainment provided by Legacy 3. A vintage Ham Radio Station will also be in operation. Food will be available for purchase.

There is no general admission fee for any of the selling areas, and the public is invited to attend. Free parking with easy access to the hotel will be available. Boy Scouts and Girl Scouts, in uniform, may attend all activities free of charge except the banquet.

ARCI has done everything possible to ensure that *Radiofest* is safe and enjoyable for everyone. Thank you to all the volunteers who make *Radiofest* come to life each August. We hope each and every one of you has a great time at *Radiofest 2019*.

STEVE MUCHOW
ARCI PRESIDENT

SPECIAL THANKS TO OUR 2019 PRESENTERS

MICHAEL PETERSEN has been employed by Shure Incorporated since 1976 and is the Director of Corporate History. He is a contributing author to the 1,550 page reference tome "Handbook for Sound Engineers" and author of many pro audio technical papers for AES, ASA, NAB, etc.

KENT KING is a well-known collector and Historian of E.H. Scott Radios, literature and Scott-related memorabilia. He is one of the founders of the E.H. Scott Historical Society and has published articles on Scott in the AWA Review. He owns an example of almost every model Scott produced.

PETE NAUSEDA brings decades of technical experience with Vacuum Tube Audio equipment. Fields of interest and skill include engineering, restoration, and collecting.

NOTE: ARCI again is pleased to present the Bill Ross Memorial Ham Forum following in the long tradition of deceased ARCI member, Bill Ross, W9WR. Bill instituted and conducted this forum for many years at Radiofest. This year's Ham Forum features Shure's Michael Pettersen.

PROGRAMS - SATURDAY

FEATURED PROGRAMS (Room B)

11:00–11:50 **Bill Ross Memorial Ham Forum** –Shure's Michael Pettersen will present "How Shure moved from a war-based economy to an extremely successful peace-time business in the years 1946 to 1955". Shure microphones are legendary and the Shure story is fascinating.

1:00–1:50 **The E. H. Scott Company in the Art Deco Era** – Scott's chrome chassis sets are an amazing art deco technology. Join Kent King as he looks at art deco cabinets and presents Scott's own comments from original literature. The discussion will include designers, manufacturers and other rarely seen information. We will end with a vote for the most "art deco" Scott cabinet!

2:00–2:50 **Building and Auditioning a Chinese Single-Ended Stereo EL34 Amplifier** – Pete Nauseda describes his experience building and testing an amplifier kit. He will discuss the pros and cons of a single-ended design and the best speakers to use. He will end with a live demonstration of the amplifier. Join Pete for his talk on this unique vacuum tube audio project.
